## A GROWING AUDIENCE

Racheal's series, *Artfully Designed*, is currently airing its second season. Her bold take on art in the home, mixed media projects, and colorful murals are inspiring audiences all across North America. She and her fellow designers are pushing the boundaries of current trends in interior design. Connect your brand with a movement that will only continue to grow!

I love to work with brands on everything from one-off sponsorships to long-term partnerships. With every collaboration my goal is to foster positive and productive relationships between my followers and the brand. Let's create some magic together.
